

REQUEST FOR REMOVAL OF FEDERAL DO NOT CALL REGISTRY FILTERING

Do you request that your Signalmash account be removed from any network level blocking of outbound calls made to telephone numbers on the Federal Do Not Call Registry?

-Yes

Do you acknowledge that any calls made using your Signalmash account to telephone numbers on the Federal Do Not Call registry are being made either:

1): To existing customers or business partners in the normal course of day-to-day business and are NOT telemarketing related, or:

2): To called parties that have provided a specific and documented opt-in allowing your / your customers organization(s) to call them, a copy of which can be made available to Signalmash upon request

-No

Name : a

Signature :

A handwritten signature in black ink, consisting of a stylized 'S' followed by a horizontal line and a small upward curve.
